***Please Note:** Due to traffic congestion in the Houston area, it is recommended that the Sam Houston Toll way (Beltway 8) be used during weekdays. Many rental car companies will allow for the use of the EZ Pass toll lanes to avoid long toll booth lines. Check with the rental company when you pick up your car.

HOTELS: The AMETEK facility is in the south western area of Houston. With the exception of the Marriott, the following properties are within 1 mile of the training center. **Traffic congestion is an issue at rush hour. Please give serious consideration to avoiding downtown/Galleria properties.**

The Homewood Suites has an AMETEK rate and is closest to our office. In addition to the hot breakfast buffet, they offer a manager's reception that includes hot food items and beverages Monday through Thursday. The other suggested properties are also good options and in nice condition. There are several restaurants within easy walking distance. **Call the property for the AMETEK rate.**

NOTE: For those flying in from out of town, United Airlines has many non-stop flights into Houston Intercontinental Airport (Airport code: IAH). Southwest Airlines and Delta have many flights into Hobby Airport (Airport code: HOU). The best prices are often found by reserving 14 days in advance.
